

roof drain type 62 FPO, DN 70

Part number: 621641
 GTIN: 4001636621641
 Rebate group: 10

Description:

roof drain type 62 FPO, DN 70
 conforming to DIN EN 1253
 with extra wide flange for welding FPO-PP membranes directly or fixing PE vapour barriers

specification:

- insulated drain body
- outlet vertical
- domed grate

material:

polypropylene, UV-stabilized

R 30 - 120 option available.

Flow rates tested to DIN EN 1253:

Nominal diameter	Outlet direction	Min. flow rate according to norm	Water level according to norm	Flow rate at water level 5 mm	Flow rate at water level 15 mm	Flow rate at water level 25 mm	Flow rate at water level 35 mm	Flow rate at water level 45 mm	Flow rate at water level 55 mm	Flow rate at water level 65 mm
DN 70	1.70 l/s	35.00 mm	0.55 l/s	2.30 l/s	4.50 l/s	7.40 l/s	10.60 l/s	12.85 l/s	16.30 l/s	16.30 l/s
